

CRP eligibility

CUSTOMER RESPONSIBILITY PROGRAM

Eligibility for CRP is based on household size and income. Renters and homeowners are eligible.

If you were previously on CRP and wish to re-enroll, you must first pay the past due CRP bills, known as the cure amount, plus a \$123.23 reconnection fee (if applicable) to restore service. You may be eligible for a lower cure amount if you submit income that is lower than the amount submitted at the time of your previous application for CRP.
