Third-Party Notification Offers Added Protection

PGW Third-Party Notification allows a PGW customer to select a third party to be notified if they are in danger of losing service due to non-payment.

This free service does not require the third party to pay a customer's bill. It's just a way to receive a notice if the customer is at risk of service termination.

The notification service can be canceled at any time.

Call our Customer Care Team for more information: 215-235-1000, M-F, 8 a.m. – 6 p.m.
