NEED HELP? VISIT A NEIGHBORHOOD ENERGY CENTER

Did You Know: You can walk into any one of Philly's Neighborhood Energy Centers (NEC) and a PGW-trained coordinator will help you with your PGW account?

NECs are open Monday - Friday; visit to apply for assistance, get energy savings tips, and more.

Find a NEC near you: [PGWorks.com/NEC](https://www.pgworks.com/NEC)

SUMMER SAVINGS

Keep your family cool and your utility bills lower with these energy savings tips:

- **SET thermostat to 78 degrees** and raise setting a few degrees when away from home. Get a programmable thermostat at PGW Marketplace (pgwenergysense.com/marketplace).
- **AVOID placing lamps or TV sets** near your thermostat.
- **INSTALL window coverings** to keep your home cooler during the day.
- **USE ceiling fans** when you are in the room.
- **LOWER the temperature** setting on your water heater to 120 degrees fahrenheit.
- **SELECT the automatic cycle** on your clothes dryer.
- **RUN clothes and dish washers** once full and in the evening.
