## ORDER A FREE METHANE DETECTOR KIT WHILE SUPPLIES LAST

PGW is offering all customers a free methane detector kit, while supplies last. The kit includes information on methane detectors and instructions on where to install them. Detectors provide an audible alarm should gas levels exceed safe limits to alert anyone in the property to call their natural gas utility or call 911 immediately.

Customers can order a free methane detector at  
**[pgworks.com/customerkits](https://pgworks.com/customerkits).**

As a reminder and whether you have a methane detector kit or not, if you smell gas, leave the area and call PGW's emergency hotline at 215-235-1212.

Further information about detectors and this program can be found at **[pgworks.com/customerkits](https://pgworks.com/customerkits).**

## FITCH UPGRADES PGW BOND RATING TO 'A'
