

PHILADELPHIA GAS WORKS

## MAJOR ACCOUNTS SALES TEAM

PGW provides technical support through data management and engineering expertise for:

- COMMERCIAL AND INDUSTRIAL BUILDINGS
- MULTI-USE HIGH RISES • MANUFACTURING
- SCHOOLS AND UNIVERSITIES • CITY FACILITIES
- ENERGY SOLUTIONS • REBATES AND INCENTIVES

The Major Accounts group focuses on pursuing and developing new customers and natural gas projects in the large commercial and industrial sector. Driven by customer service, they are dedicated to developing energy solutions with operational and economic advantages. Technical support is provided through data management and engineering expertise.
