You must forward any required supporting documents to the HRD Benefits Unit.

QUALIFIED LIFE EVENT

The benefit choices you make during your new hire enrollment and during our annual Open Enrollment period will remain in place until the next Open Enrollment period, or unless you experience a qualifying life event. A Qualified Life Event can be one of the following:

All changes can be made online by the employee in MyADP and the required proof must be provided to your Benefits Coordinator.

You can also submit a paper enrollment application found under human resources department forms along with the required proof within 30 days of the life event. Otherwise, if you do not submit your qualified life event within 30 days, you will need to wait until the next annual Open Enrollment to add or change your benefits.

YOU AND YOUR FAMILY MANY OTHER BENEFITS!**

ADMINISTRATIVE LEAVE DAYS

Full-time employees on the payroll as of January 1 of each year are granted four (4) administrative leave days to be used during the course of that calendar year. The administrative leave days will replace Presidents Day, Flag Day, Juneteenth, and Columbus Day. The number of administrative days employees are granted within the calendar year of hire will depend on the start date, relative to each of the aforementioned holidays. Full-time employees hired after Columbus Day are not granted any administrative leave days for the calendar year of their hire.

BLOOD BANK

PGW is a participant in the American Red Cross Blood Donor Program. PGW sponsors on site blood drives. You and your immediate family may receive blood during time of emergency.

DEATH BENEFITS

We provide a maximum of four (4) days with pay for absence due to death of your mother, father, grandparent, brother, sister, child, or spouse. Up to eight (8) hours' pay is provided for attendance at a funeral for relatives outside the immediate family.

RETIREMENT PLANS

PGW provides two (2) different tax-qualified retirement plans; Defined Contribution Plan (401a) and Defined Benefit Pension Plan. You have the option to enroll in either plan. You **must** make your election within thirty (30) days of your first day of employment. If you do not make an election, you will be automatically enrolled in the Defined Contribution Plan (DC).

Your election (or default enrollment if you fail to make an election) is irrevocable.

Defined Contribution Plan (401a)

PGW contributes 5.5% of your gross weekly earnings so you may invest the earnings into 401(a) plans. Plans are market driven. Upon retirement or termination, you may request the distribution or a rollover of funds into another tax-qualified plan or IRA.

Defined Benefit Pension Plan

You will contribute 6% of your gross weekly earnings. If you terminate employment before five (5) years of employment, you will be paid what you invested. If you terminate employment after five (5) years you will be considered a vested employee and will be able to collect a monthly annuity beginning at age 55. Your contributions to the plan will be retroactive to your date of hire and will be deducted in a lump sum from your first paycheck after you enroll.

For example: If your pay is \$500 weekly, your defined contribution would be 6% or \$30.00. If you enroll in the 4th week, a sum of \$120.00 for all 4 weeks would be taken out at one time.

For more information about this benefit, contact the HRD Benefits Unit.

DEFERRED COMPENSATION PLAN (457B)

If you are hired by PGW after January 1, 2011, and fail to make and return to the Human Resources Department an affirmative election specifying a pre-tax savings contribution amount or your desire not to participate, you will automatically be enrolled in the plan 30 days following your date of hire at a rate equal to 2 percent of your compensation for the plan year. In other words, 2 percent of your compensation will automatically be deducted from each of your paychecks and deposited into your account under the plan.

Employees with 30 days of company service can elect to defer from 1 to 70 percent of their gross weekly earnings pre-tax or after-tax (Roth) for investment into PGW's Deferred Compensation Plan. These contributions may reduce your Federal Income Tax while providing for your future financial needs. Your deferred contribution is limited by IRS rules. PGW has no responsibility for the investment selection process. PGW will match 50 percent of an employee's own contributions into the fund up to a maximum of \$1,000 per year. PGW's contribution is not counted as compensation for pension calculation purposes.

FLEXIBLE SPENDING ACCOUNTS

PGW offers the option of Flexible Spending Accounts (FSAs) to all of its employees. FSAs are designed to pay for qualified health and dependent care expenses that are not covered by

The maximum annual contribution is \$3,200 for health care and \$5,000 for dependent care. The minimum annual contribution is \$780 per year (deducted in weekly installments through payroll deduction). You have the opportunity to change your annual contribution once a year during the **Open Enrollment** period (to be announced).
